- 1.5 The functions and proceedings of the Academy Committees shall be subject to regulations made by the Trustees from time to time.
- 1.6 The Board has determined to establish the following Committees:
  - i. Finance and Operations Committee
  - ii. Audit & Risk Committee
  - iii. HR & Wellbeing Committee
  - iv. Academy Committees
  - v. Academy Committee Learner Discipline Committee
  - vi. Hearings Committee
  - vii. Appeals Committee.
- 1.7 Each Committee's constitution and terms of reference are set out in Appendices 1 – 10.

### **2. Definitions**

- 2.1 'Academy' means any school which is established and maintained by Eastern Multi-Academy Trust;
- 2.2 'Board' means the Board of Trustees;
- 2.3 'Trustee', 'Academy Committee Member' and 'Principal' mean respectively a Trustee of the Board of Trustees, a Member of an Academy Committee (also known as Local Governors), an Academy Principal;

- 2.4 'Academy Committee (AC)' means the Academy Committee established for the purposes of overseeing the operation of an Academy; an Academy Committee is referred in the Trust Articles of Association as a Local Governing Body (LGB) hence Academy Committee Members are also known as Local Governors;
- 2.5 The role of the Accounting Officer will be undertaken by the Chief Executive;
- 2.6 The role of the Company Secretary (Secretary) will be undertaken by the Lead Governance Professional;
- 2.7 'The Trust' means Eastern Multi-Academy Trust;
- 2.8 All other definitions have the same meanings as given in the Trust's Articles of Association and the Academies Act 2010.

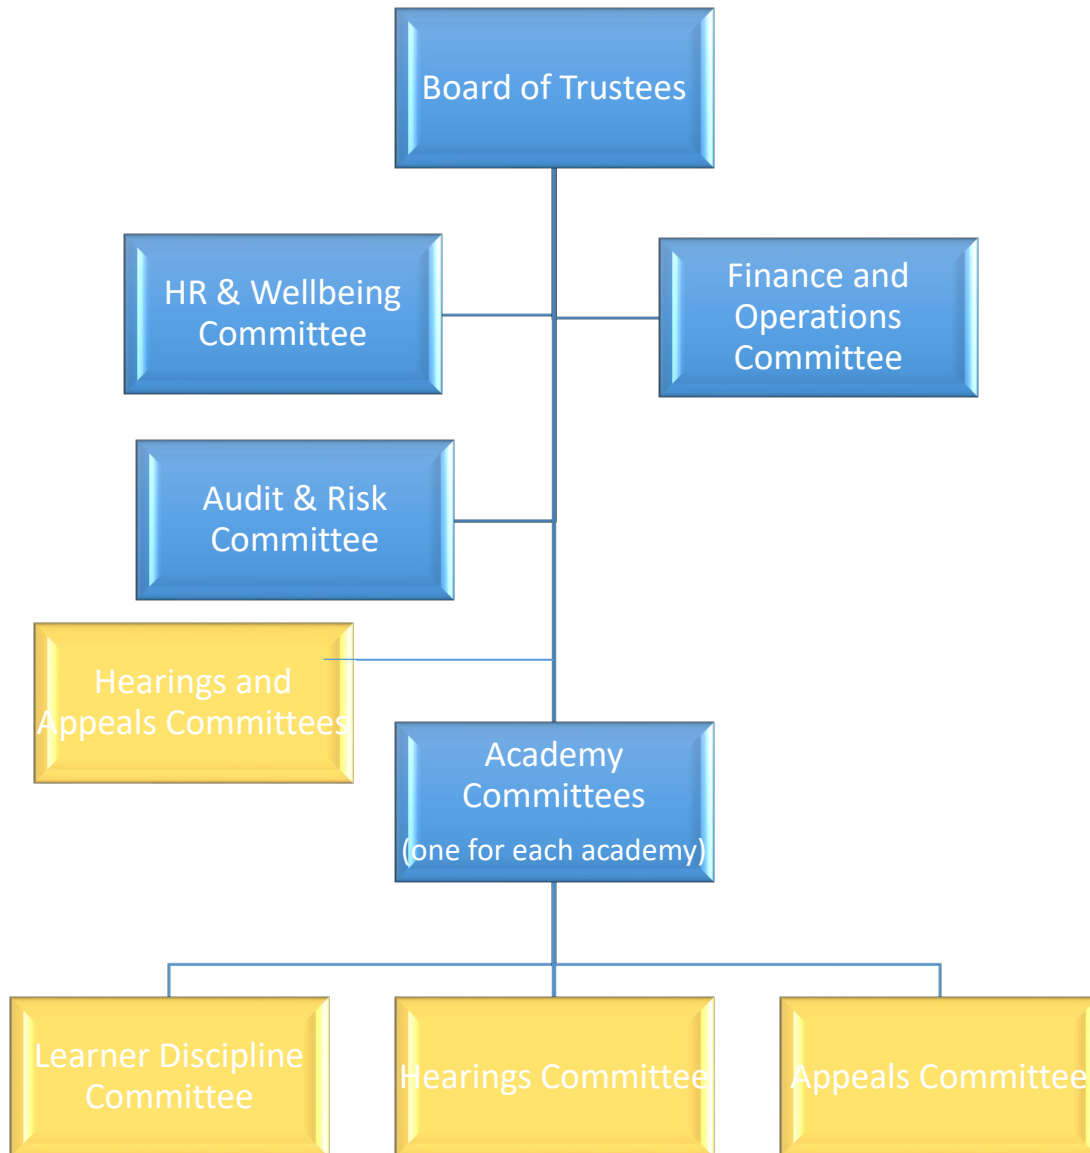

### **3. Related Policies and Documents**

- 3.1 Standing Orders;
- 3.2 Code of Conduct;
- 3.3 Scheme of Delegation: General and Financial;
- 3.4 Articles of Association;
- 3.5 The Funding Agreement;
- 3.6 Financial Regulations;
- 3.7 Academy Trust Handbook;
- 3.8 Policy Approval Schedule

Other policies and documents may be identified from time to time as circumstances change and may be added to this list.

**4. Governance Structure**

4.1 The Trust Board of Trustees has overall responsibility and ultimate decision-making authority for all the work of the Academy Trust. The Board has determined that the following governance structure be adopted for the Academy Trust:

Standing Committees

Ad-hoc Committees

4.2 Articles 105-105A of the Trust's Articles of Association allow the Board to delegate powers or functions (including the power to sub-delegate) to any Trustee, committee (including any Academy Committee), the Chief Executive or any other holder of an executive office. The Board of Trustees may also revoke or alter any such delegation.

4.3 In certain circumstances, it may become necessary for the Board to intervene and hence alter the functioning of or 'stand down' an Academy Committee and appoint a Task & Finish Group to temporarily take its place or perform certain of its functions. Such a Task & Finish Group is referred to as an Improvement Board (IB). An Improvement Board may also be put in place as a transition arrangement from the point when a new academy joins the Trust.

4.4 Circumstances precipitating such a move would include:

- Identification of weak governance;
- In response to the outcome of an annual review of governance or an Ofsted inspection;
- In response to the outcome of an Ofsted inspection where there is a grading decline or an academy moves into a category of serious weakness or requiring improvement;
- Insufficient progress is being made against educational targets;
- Where there are concerns about financial matters;
- Where the safety of pupils or staff is at risk.

In this situation, the main function of the Improvement Board would be to secure governance of the academy and develop a sound basis for improvement. It would be in place until the trigger was removed. Such a group is likely to be a small, focused group and will be pertinent to the needs of that academy.

At the earliest opportunity, an academy's Academy Committee will assume or resume its usual role in line with the Terms of Reference.

4.5 A Task & Finish Group or Improvement Board is a temporary group set up to address a given task or situation over a finite period. As such, its constitution and terms of reference may be unique to that particular group. It is, however, akin to an Academy Committee (referred to as a Local Governing Body in the Trust's Articles of Association) and thus not subject to the conditions imposed by Article 101 whereby the majority of its members must be trustees.

4.6 Where an IB is in place, the Trust will ensure that parents' opinions continue to be heard and form a fundamental part of the academy's recovery programme through either parent representation on the IB or by establishing a Stakeholder Advisory Committee (SAC).

## **5. Review of and amendment to the Constitutions and Terms of Reference**

- 5.1 The Secretary is required to keep under continuous review the provisions of this document and will ensure that all constitutions and terms of reference are reviewed annually with the intention of recommending to the Board and Academy Committees improvements/amendments to meet changed circumstances.
- 5.2 Individual Trustees, Academy Committee Members (Local Governors), Principals or the Chief Finance Officer may wish to propose to the Secretary, improvements or amendments to this document. Points raised will be the subject of a report to the next convenient meeting of the Board and Academy Committees, so that a decision may be made.
- 5.3 Any amendments to this document will require the approval of the Board, following discussion with Academy Committees, unless those amendments are provided for by statute or regulation, in which case such changes will be made and notified to the Board and Academy Committees without delay.
- 5.4 The adoption of this document may amend previously approved policy or procedure and will therefore be deemed to take precedence and inform subsequent decisions. The amendments will not work retrospectively and affect previous decisions.
